Introduction of UN Chinese School

School profile

UN Chinese School is located in the beautiful coastal city — Dalian, China. Founded in 2007, the school is a professional Chinese language training school for overseas students from all over the world, teaching them Chinese and Chinese culture.

As of today, more than 6,000 international students from more than 50 countries have studied Chinese at UN. They are from South Korea, Japan, Thailand, the United States, the United Kingdom, Germany, Australia, Russia, Mongolia, Ukraine, Poland, Kazakhstan, Zambia, Indonesia, Pakistan and so on.

There are many universities around UN Chinese School, such as Dalian University of Technology, Dongbei University of Finance and Economics, Dalian Maritime University, Liaoning Normal University, etc. Many foreign students will come to UN to learn HSK courses after studying in their own universities. Because the passing rate of our HSK courses can reach more than 95%.

In 2016, with the goal of "100% conquering Chinese", UN Chinese school opened a full-time course -- special course, which can maximize the results.

Characteristics of special course: full-time, targeted courses. Through 1:1 professional tutoring, HSK class, native Chinese conversation and other forms, improve the Chinese level quickly and interestingly.

UN Chinese school takes "students first" as its teaching and service philosophy. The faculty can communicate with students in multiple languages, the teachers have rich teaching experience, and the team is working together to build the school into a Chinese language training school that can provide first-class educational services.

COURSE I

The UN special courses

UN special courses and Pass way courses:

COURSE V

UN family training

Study Chinese with your family!

UN has opened family-owned Chinese language training courses in China!

Dalian is one of the few romantic cities in China, with its natural scenery and fashionable atmosphere. When parents and children come to Dalian to study together, they can not only learn Chinese, but also leave an exclusive memory belonging to the family.

UN runs family-specific Chinese language training courses for family students.

As a livable city in Dalian, UN school not only provides students with clean and tidy apartment dormitories, but also teachers here can speak Korean, Japanese, English and other languages, providing the best service for family members in Dalian.
